Dear President Bruininks:

I am writing to request, under the Minnesota Data Practices Act, Minn. Stat. Sections 13.01 et seq., a copy of the film "Troubled Waters: A Mississippi River Story" which was scheduled to be aired at the Bell Museum of Natural History on Oct. 3.

The Land Stewardship Project will pay the reasonable, standard charges for the actual copying fees required in complying with this request to the extent provided for under the Minnesota Data Practices Act. Thank you for your cooperation in this matter. If you have any questions please feel free to call me at 612-722-6377.

Sincerely,
