

## Local Foods Forum and Expo

Sponsored by the Winona County Economic Development Authority - Local Foods Subcommittee

The 2nd Annual Forum and Expo is planned around the theme “Healthy Farms, Healthy Foods and Healthy Folks.” Sessions are designed to offer solutions and successful models for local growers, producers and processors as well as the ever important consumers and buyers. Attendees will find out what’s working, who’s doing it and how they are getting it done.

Please join us for this very special gathering. Signature’s Executive Chef Matt Schoeller will serve a lunch that you won’t forget, prepared from locally grown foods, and one of the most popular features of the 1st Annual Forum and Expo.

“That Matt can really cook!!”

*The mission of the EDA Local Foods Subcommittee is to facilitate an increase in the production and consumption of foods grown in the Winona Region.*
